Two Week Solicitation

A pioneer of live house with his electronic band Velvet, this Canadian artist has taken a more contemporary approach to his solo debut that could be likened to a cross between Jamiroquai, Paolo Nutini, Jason Mraz, Ben Harper and Al Green.

Bio:

- Currently in the final 20 ~ B.C.'s Peak Performance Project
- Winner: National Songwriters Competition
- Legendary following in B.C. with his band Velvet; Their Sunday night residency has been attended by over 50, 000 Canadian over the past decade.
- Strong online presence and large email data base
- "Never Meant To Hurt You" featured in new film, "Powder Blue" starring Jessica Biel and Forrest Whitaker
- "This Heaven" ~ featured in "Let It Ride" ~ winner best film and soundtrack at Utah's X-Dance
- National touring/showcase activity: NXNE, CMW, NMW. Played with The Chemical Brothers, Nelly Furtado, Blackalicious, De La Soul Matisyahu
