Title: **David Newman - Love, Peace, Chant**  
Cat# 0 6700 30820 2 0 SRP: \$15.98

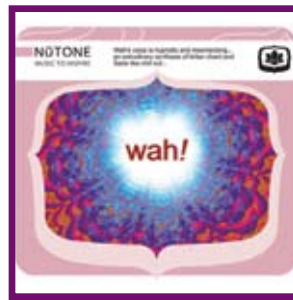

David Newman (aka Durga Das) is a widely recognized Chant Artist and sacred musician who continues to travel throughout North America, Europe and Asia, singing Kirtan chants and offering workshops on the healing power of sound. His music embodies a devotional mysticism, distinctive musicality, poetic intimacy and a deep respect for India's ancient chant tradition.

Title: **Tenzing Tsewang - Mantra Healing**  
Cat# TT 2002 SRP: \$19.98

Tenzing Tsewang's bamboo flute improvisations, ancient Tibetan chanting and joyful folk songs are a journey far into the Himalayas and deep into the heart. Tenzing's music combines Tibetan Buddhism and Tibetan culture with modern sound to offer a unique musical and spiritual experience.

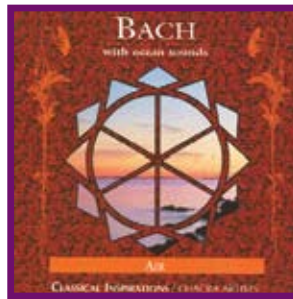

Title: **Wah! - Love Holding Love**  
Cat# 0 6700 30803 2 3 SRP: \$15.98

Wah! has been captivating audiences around the world, with her upbeat interpretations of ancient Sanskrit mantras infused with pop, reggae and folk melodies. Her latest album, "Love Holding Love", showcases her indisputably unique, sultry voice as she reinvents the genre of kirtan chant through an amazing synthesis of Sade like chill sounds.

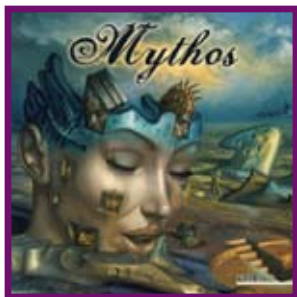

Title: **Beethoven with Ocean Sounds**  
Cat# CHAHD SRP: \$15.98

"Moonlight Sonata" and "Ode to Joy" are two compositions by Beethoven that impart a true sense of exaltation to the listener. This release contains arrangements of more than 26 minutes per track, providing the purifying sound of ocean surf as a background of genuine warmth and repose.

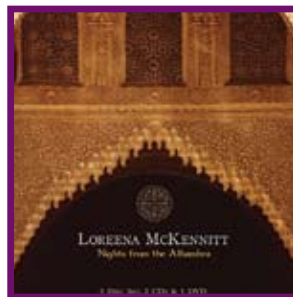

Title: **Bach with Ocean Sounds**  
Cat# CHAHD 945 SRP: \$15.98

Blending innovation and tradition, this CD was recorded at Victor Studios in Montreal, the first original poly-cylindrical acoustic recording studio in North America. Outstanding performances are captured with this vintage microphone and legendary all-wood studio, preserving the warm tones and nuances which are often missed on standard recordings.

Title: **Mythos - Purity**  
Cat# PM14252 SRP: \$15.98

The only criterion for Mythos was that the songs be "beautiful". Mythos has created a sound unlike any other artist. The music is a fusion of many styles - classical, jazz, pop, world, electronic and ambient. With "Purity", Mythos has allowed for more space and contemplation. "Purity" flows from piece to piece in a journey that can be at times peaceful and at times animated.
